Tri-Line Blend *Turf Ryegrass*

Tri-Line, a blend of premier NZ bred turf ryegrasses along with the top performing All Star 3 variety. Ideal for use in any situation where all seasons performance is required

Tri-Line is blended to give you the best of both worlds, with excellent winter growth and wear recover from the NZ bred varieties, with the summer performance and fine textured look of US breeding.

Tri-Line is a high endophyte blend offering natural insect resistance, coupled with outstanding rust resistance.

Tri-Line is able to tolerate close mowing due to excellent shoot density and holds up very well in winter sports situations.

Tri-Line consists of **Reliant II, Verve and All Star 3**, all high performers in trials, both here and with All Star 3 in the US NTEP trials

Tri-Line is a combination of proven performers and not a pretender!

Tri-Line is suitable for use in sports fields, golf tees and fairways and parks.
